

Good Faith Estimate Notice

January 4, 2022

Notice to clients and prospective clients:

Under the law, health care providers need to give clients **who don't have insurance or who are not using insurance** an estimate of the expected charges for medical services, including psychotherapy services.

You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency healthcare services, including psychotherapy services.

You can ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule a service, or at any time during treatment.

If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill. Make sure to save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate, or how to dispute a bill, see your Estimate, or visit www.cms.gov/nosurprises.
